Case No. _____

DEBORAH LAUFER, individually,

Plaintiff,

v.

PETRUS J. PIENNAR and ANGELA M. LIEN,
dba SLEEPY HOLLOW MOTEL

Defendants.

_____ /

COMPLAINT

(Injunctive Relief Demanded)

Plaintiff, DEBORAH LAUFER, individually, on her behalf and on behalf of all other individuals similarly situated (sometimes referred to as “Plaintiff”), hereby sues the Defendants, PETRUS J. PIENNAR and ANGELA M. LIEN dba SLEEPY HOLLOW MOTEL (sometimes referred to as “Defendants”), for Injunctive Relief, and attorney’s fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. (“ADA”).

1. Plaintiff is a resident of Alachua County, Florida, is sui juris, and qualifies as an individual with disabilities as defined by the ADA. Plaintiff is unable to engage in the major life activity of walking more than a few steps without assistive devices. Instead, Plaintiff is bound to ambulate in a wheelchair or with a cane or other support and has limited use of her hands. She is unable to tightly grasp, twist the wrist, and pinch to operate. Plaintiff is also vision impaired. When ambulating beyond the comfort of her own home, Plaintiff must primarily rely on a wheelchair. Plaintiff requires accessible handicap parking spaces located closest to the entrances of a facility. The handicap and access aisles must be of sufficient width so that she can embark and disembark

from a ramp into her vehicle. Routes connecting the handicap spaces and all features, goods and services of a facility must be level, properly sloped, sufficiently wide and without cracks, holes or other hazards that can pose a danger of tipping, catching wheels or falling. These areas must be free of obstructions or unsecured carpeting that make passage either more difficult or impossible. Amenities must be sufficiently lowered so that Plaintiff can reach them. She has difficulty operating doorknobs, sink faucets, or other operating mechanisms that require tight grasping, twisting of the wrist or pinching. She is hesitant to use sinks that have unwrapped pipes, as such pose a danger of scraping or burning her legs. Sinks must be at the proper height so that she can put her legs underneath to wash her hands. She requires grab bars both behind and beside a commode so that she can safely transfer, and she has difficulty reaching the flush control if it is on the wrong side. She has difficulty getting through doorways if they lack the proper clearance.

2. Plaintiff is an advocate of the rights of similarly situated disabled persons and is a "tester" for the purpose of asserting her civil rights and monitoring, ensuring, and determining whether places of public accommodation and their websites are in compliance with the ADA.

3. Defendants own, lease, lease to, or operate a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. The place of public accommodation that the Defendants own, lease, lease to, or operate is a place of lodging known as Sleepy Hollow Motel, located at 7811 East US Highway 2, South Range, WI, Florida, and is located in the County of Douglas (hereinafter "Property").

4. Venue is properly located in the Western District of Wisconsin because the injury occurred in this district.

5. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. § 2201 and § 2202.

6. As the owner, lessor, lessee, or operator of the subject place of lodging, Defendants are required to comply with the ADA. As such, Defendants are required to ensure that their place of lodging is in compliance with the standards applicable to places of public accommodation, as set forth in the regulations promulgated by the Department of Justice. Said regulations are set forth in the Code of Federal Regulations, the Americans with Disabilities Act Architectural Guidelines ("ADAAGs"), and the 2010 ADA Standards, incorporated by reference into the ADA. These regulations impose requirements pertaining to places of public accommodation, including places of lodging, to ensure that they are accessible to disabled individuals.

7. More specifically, 28 C.F.R. Section 36.302(e)(1) imposes the following requirement:

Reservations made by places of lodging. A public accommodation that owns, leases (or leases to), or operates a place of lodging shall, with respect to reservations made by any means, including by telephone, in-person, or through a third party -

- (i) Modify its policies, practices, or procedures to ensure that individuals with disabilities can make reservations for accessible guest rooms during the same hours and in the same manner as individuals who do not need accessible rooms;
- (ii) Identify and describe accessible features in the hotels and guest rooms offered through its reservations service in enough detail to reasonably permit individuals with disabilities to assess independently whether a given hotel or guest room meets his or her accessibility needs;
- (iii) Ensure that accessible guest rooms are held for use by individuals with disabilities until all other guest rooms of that type have been rented and the accessible room requested is the only remaining room of that type;
- (iv) Reserve, upon request, accessible guest rooms or specific types of guest rooms and ensure that the guest rooms requested are blocked and removed from all reservations systems; and
- (v) Guarantee that the specific accessible guest room reserved through its reservations service is held for the reserving customer, regardless of whether a specific room is held in response to reservations made by others.

These regulations became effective March 15, 2012.

8. Defendants, either themselves or by and through a third party, implemented, operate, control and/or maintain websites for the Property which contain an online reservations system. This term also includes all other websites owned and operated by Defendant or by third parties to book or reserve guest accommodations at the hotel. These websites are located at: <https://www.thesleepyhollowmotel.com/>; <https://app.thebookingbutton.com/>; www.expedia.com; www.hotels.com; www.orbitz.com; and www.agoda.com. The purpose of these websites is so that members of the public may reserve guest accommodations and review information pertaining to the goods, services, features, facilities, benefits, advantages, and accommodations of the Property. As such, these websites are subject to the requirements of 28 C.F.R. Section 36.302(e). The Defendants have failed to provide the third party providers with the information required for their websites to identify or allow for booking of accessible rooms or to post sufficient information regarding accessibility at the hotel in violation of 28 C.F.R. 36.302(e)(1)(ii).

9. Prior to the commencement of this lawsuit, Plaintiff visited the websites on May 30, 2020, for the purpose of reviewing and assessing the accessible features at the Property and to ascertain whether they meet the requirements of 28 C.F.R. Section 36.302(e) and her accessibility needs. However, Plaintiff was unable to do so because Defendants failed to comply with the requirements set forth in 28 C.F.R. Section 36.302(e). As a result, Plaintiff was deprived the same goods, services, features, facilities, benefits, advantages, and accommodations of the Property available to the general public. Specifically, the websites do not identify accessible rooms, do not allow for booking of accessible rooms and did not have sufficient information (such as the availability of a roll-in shower, whether there are accessible entrances to the hotel, availability of

any accessible rooms, etc.) about accessibility in the hotel other than non-descript statements such as “in-room accessibility.”

10. In the near future, Plaintiff intends to revisit Defendants’ websites and/or online reservations system in order to test them for compliance with 28 C.F.R. Section 36.302(e). In this respect, Plaintiff maintains a system to ensure that she revisits the online reservations system of every hotel she sues. By this system, Plaintiff maintains a list of all hotels she has sued with several columns following each. She continually updates this list by, among other things, entering the dates she did visit and plans to again visit the hotel’s online reservations system. With respect to each hotel, she visits the online reservations system multiple times prior to the complaint being filed, then visits again shortly after the complaint is filed. Once a judgment is obtained or a settlement agreement reached, she records the date by which the hotel’s online reservations system must be compliant and revisits when that date arrives.

11. Plaintiff has revisited the websites and encountered the same conditions described above. Plaintiff is continuously aware that the subject websites remain non-compliant and that it would be a futile gesture to revisit the websites as long as those violations exist unless she is willing to suffer additional discrimination.

12. The violations present at Defendants’ websites infringe Plaintiff’s right to travel free of discrimination and deprive her of the information required to make meaningful choices for travel. Plaintiff has suffered, and continues to suffer, frustration and humiliation as the result of the discriminatory conditions present at Defendants’ website. By continuing to operate the websites with discriminatory conditions, Defendants contribute to Plaintiff’s sense of isolation and segregation and deprive Plaintiff the full and equal enjoyment of the goods, services, facilities, privileges and/or accommodations available to the general public. By encountering the discriminatory conditions at

Defendants' websites, and knowing that it would be a futile gesture to return to the websites unless she is willing to endure additional discrimination, Plaintiff is deprived of the same advantages, privileges, goods, services and benefits readily available to the general public. By maintaining a websites with violations, Defendants deprive Plaintiff the equality of opportunity offered to the general public. Defendants' online reservations system serves as a gateway to its hotel. Because this online reservations system discriminates against Plaintiff, it is thereby more difficult to book a room at the hotel or make an informed decision as to whether the facilities at the hotel are accessible.

13. Plaintiff has suffered and will continue to suffer direct and indirect injury as a result of the Defendants' discrimination until the Defendants are compelled to modify its websites to comply with the requirements of the ADA and to continually monitor and ensure that the subject websites remain in compliance.

14. Plaintiff has a realistic, credible, existing and continuing threat of discrimination from the Defendants' non-compliance with the ADA with respect to these websites. Plaintiff has reasonable grounds to believe that she will continue to be subjected to discrimination in violation of the ADA by the Defendants.

15. The Defendants have discriminated against the Plaintiff by denying her access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the subject websites.

16. The Plaintiff and all others similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein.

17. Defendants have discriminated against the Plaintiff by denying her access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of

its place of public accommodation or commercial facility in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302(e). Furthermore, the Defendants continue to discriminate against the Plaintiff, and all those similarly situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

18. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendants pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

19. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendants to alter the subject websites to make them readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA and 28 C.F.R. Section 36.302(e); or by closing the websites until such time as the Defendants cure their violations of the ADA.

WHEREFORE, Plaintiff respectfully requests:

- a. The Court issue a Declaratory Judgment that determines that the Defendants at the commencement of the subject lawsuit are in violation of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. and 28 C.F.R. Section 36.302(e).
- b. Injunctive relief against the Defendants including an order to revise its websites to comply with 28 C.F.R. Section 36.302(e) and to implement a policy to

monitor and maintain the websites to ensure that they remain in compliance with said requirement.

- c. An award of attorney's fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205.
- d. Such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act.

Respectfully Submitted,
